Missionaries of the Week: Menno & Barb Kroeker

"The encroachment of urban areas near the Nambikuara reservation has brought many despicable practices. Pray for the churches in these urban areas to have a positive influence on the indigenous people. Pray that the Nambikuara will be motivated to plant and work their land to support their families instead of relying on government subsidies that are often used in unscrupulous ways. We are both well and continue with local ministries. Thank you for your financial support and for your faithful prayers."

This week pray for **SALEM CHURCH** in Waldheim, SK with Pastor James VanderVeen and his wife, Jayme. They praise God that the local restrictions have ceased and they can meet together again. Pray that they would continue to trust God for an Associate Pastor. Pray for the preparations of fall ministry and programming and the launch of small groups.
