### Missionaries of the Week: Menno & Barb Kroeker

\*In three villages some of the Bible school's graduates are having children's ministry. Pray for many to learn about Jesus and follow Him. \*Eduardo and Nil are hundreds of miles away from the villages for Nil to continue chemotherapy. This is her fourth year of infusions. She is very sick after a treatment. Pray against discouragement. Their teenage son especially is having a difficult time with his mother's illness, being away from his friends and adjusting to a new school. Eduardo tries to stay in communication with the people but long-distance discipleship is not working well. \*Menno continues to send audio short messages with Scripture and a challenge. We get a few responses. Pray that the few with cell phones will share these messages with others. \*We and all our family are well. We continue to mentor long distance and are involved in local ministries.
