### Missionaries of the Week: Menno & Barb Kroeker

\*Please pray that the Nambikuara believers that received a Portuguese study Bible will use them effectively especially as they orally translate for their family and others. \*Pray for Menno as he prepares recorded messages of edification and encouragement on a texting App. \*Sunday we got a phone call from one of the villages in an isolated location. They just had internet installed there. This is hard for us to imagine. We want to make use of technology to minister to the people. \*One Nambikuara young man is attending the Bible Institute this school year (which began last week). Pray for him to be equipped and have a vision to minister to his people group. \*Missionary Nil is not doing at all well. The treatments she needs are requiring long waits (up to 6 months) in the socialized (universal) health system there. If they were to try to get the medications outside the system, it would be thousands of dollars. They are very discouraged. Pray that God will renew their strength and their faith. Pray for their 2 boys (late teen and early twenty). \*Barb's mentoring ministry with young women here in Tennessee is challenging but also rewarding. \*Thank you for your partnership with us.
