Missionaries of the Week: Don & Nancy Rempel

*Nancy has a revolving schedule of visiting Syrian refugee women in their homes to help them with English. Ultimately, this opens up wonderful opportunities for both of us to be in their homes. *We are often able to share Truth and/or pray for them. Additionally, about 10 new Syrian refugee families have arrived in Kelowna in the last couple of months. It seems God has a plan. Pray Christ builds his church among these dear Muslim folks. *We've met a very sweet Pakistani family, the Akhtars. Kazim and his wife, Heraa, are not enthralled with their Islamic religion any longer it seems. They love our company and we have had great conversations on a number of topics. Pray we can challenge them with the claims of Christ at the right time. *We enjoyed a wonderful time with our son, Chris, over Christmas for one week. He is returning for another couple of weeks on Jan. 22nd before heading out on an adventure in Bali, Indonesia. Pray for a powerful time of building into his life before he leaves us.

Ladies, please save this date! We are planning a **Spring Fling** for **Thursday, March 31, 6:00-8:00 PM**. More details to follow.
