### Missionaries of the Week: Vic & Gwen Flaming

\*Vic's hip replacement surgery went very well, and he is recovering nicely. There is still a ways to go but the physical therapist has been very encouraging. Praise the Lord for his work of healing and the way he used the surgeon and staff at Beatrice Community Hospital. \*For you – our partners...for the way that you stood with us in prayer and practical support. It is a huge encouragement to us to know we are part of a team within the body of Christ followers, who care for each other in these ways. \*We have more ministry opportunities ahead of us than we can handle easily. Pray that we can be wise in what we take on, and that we will always rely on the wisdom and strength that our Father offers us. \*Pray for the organizations that we do most of our coaching and training through. Both International Training Partners and Coaching Mission International were impacted financially by the reality of the last few years (Covid and related restrictions, etc.). Pray that there will be generous giving to these and other like-minded ministries this year-end.

*There will be no Corporate Prayer this evening at 7:45.*
