Missionaries of the Week: Garrett & Joanna Schlake

GBU Camp: At the end of June, we had one of our two intensive training camps for the GBU. This was the smaller of the two with only 15 students present instead of 100, but that makes it more family style and possible to get to know each of them! The camp is always packed with courses on theology, doctrine, church history, apologetics, evangelism and many other theoretical and practical trainings to help prepare our students for ministry during and after their studies. Joanna and I were able to attend two water polo matches (cheapest tickets) and stay at a friend’s place in Paris during the Olympics. It was a unique experience that even helped Jo get into sports! It was also cool to see the U.S. men win a bronze medal. We know the Olympics also caused some major controversies, and we even wrote about the main one on our Facebook group. Let me know if you would like to be added to that group or receive it via email! garrettschlake@gmail.com We have found students to take on the role of group leaders, and other potential ones for the future! We even have new students contacting us already to be part of the GBU this coming semester! All my talks and trainings for both the student weekend and camp went amazing! My lungs are officially healed after 5 months of difficulty!
