Missionaries of the Week: Menno & Barb Kroeker

*Our Brazilian colleague, Eduardo, is suffering from physical ailments and also severe depression after the death of his wife. He cared for her unselfishly and tirelessly for over 8 years. Please pray for his mental and physical recovery. *The Nambikuara Christians are weak and without strong Biblical teaching. Yet many continue to follow Jesus even in difficult situations. *Menno will be 90 years old on May 18. He is well physically and mentally - just old age issues (can't do what we used to be able to do, can't see and hear as well, etc.) We are so blessed. *Thank you for your faithful financial and prayer support for us and our ministry. We are blessed to have had you as our partners for many years. We pray for you too!

Please join us for Corporate Prayer at 7:45 PM
