*The Mark Drama play went great and we had over 200 spectators over the 2 performances and 20+ non-Christians present! The audience loved it and many folks stayed for over an hour afterwards to chat. *We have all the new/returning student leaders we need for next year! A huge answer to prayer, because it wasn't certain! *Although France is the king of pastries, their donuts are terrible. Thankfully, God graced Paris with its first Krispy Kreme last month, so they could finally know what a real donut tasted like. I took some of my colleagues to it after our staff meetings. They were at first skeptical, but soon they all became believers. *Please pray for the coming GBU weekend and camps. I have over 7 talks/workshops to prepare from subjects ranging from apologetics to doctrine to theology. Please pray I can finish them all on time and that the Lord will give me the words to speak! *Summer break has finally begun and we pray that our students would come back from it even more motivated for the fall semester. It's a lot of new projects we'll be starting, like a monthly evening for the Christians in each group amongst other things. So please pray we're able to put in place whatever the Lord would allow to stick.

Please join us for Corporate Prayer at 7:45 PM

Pastor Paul and Carol will be attending the GES Conference in Dallas, TX, this week. They will return late Thursday night.

This week please pray for **STUARTBURN GOSPEL CHAPEL** in Stuartburn, MB, with Pastor Mark Funk and his wife Jen. PRAISE God for people, from young to old, who desire to know Christ and walk with God. PRAY that God will be glorified through the various challenges (health, finances, family, vocation, bereavement) faced by some among us. PRAY that by Christ's life in us our interactions and conversations would count for Him.

Wednesday, May 22, Q&A Bible Study at the church at 7:00 PM. Please bring finger food. Joseph and Jeremy will be answering questions.

Thursday, May 23, 6:30 PM, Women's Community Q&A in Fairbury.

Vacation Bible School is scheduled for **June 10-14, 9:00 AM-noon**. If you can help in any way during VBS week, please talk to Stephanie.

The **Washington County Rodeo** will be **Friday and Saturday nights, June 14-15**. The ladies will be doing the concessions again. If you would be able to help either night or both nights, please contact Stephanie.

"We are grateful to be part of this caring and loving church family. Thanks for the prayers, texts, phone calls, cards, hospital visits, stopping by the house to see Ken, and all your acts of help and kindness on his behalf. We appreciate your continued prayers. Ken is scheduled to see a retinal specialist on Tuesday. Then we will have more information about the vision in his right eye." Ken and Jenny
