Closing Song “People Need the Lord”

Missionaries of the Week: Menno & Barb Kroeker

*Five Nambikuara believers attended a spiritual retreat last month and rededicated their lives to the Lord. They made a commitment to gather for Bible study and prayer in their villages. Pray that they will have a spiritual influence on those around them. Many still are not following Jesus. *Eduardo had been physically and emotionally unwell since the death of his wife in January. He hoped to make a village visit this month but was unable to do that. Pray for his complete restoration to health. *Menno continues to send audio messages about once a month to those few who have internet access via cell phones. Pray that they will share the downloaded messages with others. Pray that Menno will continue to be fluent in the language. *The end of dry season brings widespread wildfires from the slash and burn agriculture. Pray for rain and for safety as the fires threaten villages and cities (especially where the Bible School is located).

This week pray for the **FEBC PASTORS**. PRAISE God for FEBC pastors and their families. PRAY for our pastors to be strengthened as the spiritual health of our society declines. PRAY that our churches and pastors work together in a mutually supportive manner. PRAY that God will provide wisdom and guidance for our churches that are currently seeking pastors.
