*Praise and Prayer! We just found out that both of our boys got into the same daycare, which is a huge praise as Japanese daycares are very competitive and getting siblings into the same one normally takes up to a year. Please be in prayer for our boys to transition well there and especially for our oldest, Roen, to make friends and learn Japanese. *We’ve gotten settled into our house and begin language learning next week. *We’re excited for Easter here as the church we’ve been attending is having a special guest speaker.

This week, pray for the **EMB CHURCH** in Marion, SD. They are currently seeking a pastor. PRAISE God for filling our pulpit each Sunday. PRAY that God will protect our farmers as the spring planting is about to begin. PRAISE God for the financial faithfulness of our small congregation. PRAY that we proclaim the Gospel loud and clear.

Easter is the time of sunshine, for all dark must flee away.
Christ has burst the bands of evil, turned sin’s night to righteous day.

Thank you, God, for life and gladness, bursting leaf and sap-filled sprig,
Waving tendril, spiky grass blade, hope and joy in every twig.
Nature joins with all God’s children, as they praise and laud His Name,
Christ is risen, death is vanquished, victory let all proclaim.
