Missionaries of the Week: Brian & Susanna Dick

*About two weeks ago we had a flash flood at camp that did an estimated 40,000 euros (approx. \$44,000 U.S.) of damage. The large meeting room was flooded to just under light switch level. Four of the boys' dorm rooms were also flooded with mud and water. *Praise the Lord there was no group at camp at the time! Also praise the Lord for the volunteers from Local churches who have come to give us a hand with the cleanup. *Pray for us to be able to get the rest of the cleanup done before the next group arrives on April 14. *Pray for me (Brian) to be able to balance my schedule so that I can continue to do the regular maintenance as well as effectively coordinate some of the extra projects that are going on as a result of the flood. *This past week we had an American group that came out to prep and repaint the affected boy's rooms. This was a blessing as they were able to do the job in a fraction of the time it would have taken me to do it by myself.

Not all of the Marinara and Alfredo Sauces were used for the Pasta Bar during the meal at the Spring Bible Conference. If you signed up and brought some and would like them back, they are on the counter in the kitchen.
