***PRAY** for the new students to be able to find community and especially a local Church for the Christians amongst them. Many students talk about loneliness these days and it will only be tougher during the gray, rainy winter months (no snow in Toulouse). We would also love prayer for our students to take on leadership roles and other responsibilities within our ministry (another helpful way for them to find community). ***PRAY** for my new role as one of the elders in my local church. Joanna, our pastor, his wife, and I are also starting discipleship groups this coming year to help show folks in our church that we all have a part to play in ministering to our local community and church body. It is something new for our church and we pray that it proves fruitful.

This week, pray for the **FEBC STAFF** as they carry out their responsibilities and support your ministries: Kevin Stone - President, Gary Krehbiel - Ministries Coordinator, Janet Rosenquist - US Financial Secretary/Admin., Annie Bueckert - Canadian Financial Secretary, Sarah Stutler - Fellowship Focus Editor, and Crystal Klassen - Convention Coordinator.
