Missionaries of the Week: Brian & Susanna Dick

*Please pray for wisdom and skill for Brian as he does his maintenance work at camp.
*Susanna was recently able to have a spiritual conversation with another mom who is also one of our neighbors. She started asking why there is so much evil in the world. Please pray for more opportunities - and boldness - to discuss who Jesus is and why we need a Savior. *Please continue to pray for the small group of believers in our town. Most of them are women who became believers after they were married and have received strong opposition from their husbands and families to pursue their newfound faith. Please pray for the salvation of their husbands, children, and other family members. *Our family will be taking a break and traveling to Brazil February 19th - March 6th. We will be visiting Brian's family there who are also missionaries. That is also where our oldest daughter, Adeline, was born. Please pray for safe travels and a time of rest for our family!

This week pray for the **MARTENSVILLE MISSION CHURCH** in Martinsville, SK, with Pastor Justin Klassen and his wife Jodi. PRAISE God for a godly and passionate young man (and wife) to serve as Associate Pastor. PRAY for a continual hunger for the Word. PRAY as we seek to fill a few new Elder positions within the church. PRAY for opportunities for our church to be His hands and feet and to reach others for Christ.

Pastor and Carol recently expressed interest in continuing to reside in the JBC parsonage (via purchase) after Pastor retires. The JBC board members discussed the future of the parsonage at last week’s board meeting. Ballots will be placed in mailboxes at church or handed out to members at church on February 16 and February 23 and need to be returned before Sunday, February 23, at 8:00 PM. Please return the ballots to Kendall Schlake’s mailbox or hand them to a board member. Board members encourage full member participation in this important decision as quickly as possible so Paul and Carol can evaluate their options.
