Missionaries of the Week: Vic & Gwen Flaming

*Please pray for our time this weekend with family in Missouri that we will have safe travels and be encouragers to those we are with. *We have transitioned into the coaching phase with our current SYIS Online courses. We are working with the participant missionaries to put into practice what they have been learning. *Please pray for the participants of our SYIS Online courses. There are a significant number who are in transition, as well as a number who have been hurt badly by their fellow missionaries and need God's strength for spiritual and emotional healing. *Please pray for us as we start a new online course this week: "Training Transformational Trainers". Our deep desire is to see missionaries grow in facilitating the skills of interactive adult learning, which for many is a breakthrough from the old paradigm of teaching by lecture.

This week, pray for **CONNECT25**. PRAY for the volunteers at Crosspoint Bible Church. PRAY that God will guide the messages of Mark Clifton and the other speakers. PRAY that attendees will have safe travel and be strengthened and refreshed. PRAY that our churches will truly connect with one another. PRAY that we reach our goal to help Springs of Life Camp recover from flood damage.
