Missionaries of the Week: Jordan & Trisha Schlake

*Please pray about a potential ministry Trisha is working on putting together. It is using her old career in Geographic Information Systems to support Japanese churches and Christians, and she would love to use her old skills to serve the Lord in Japan. *Praise that Jordan was able to help host Nebraska's Governor in Tokyo this week for some ag export meetings, and he was very encouraging in having Jordan be open with the Japanese companies they met with about his missionary work.

This week, pray for **COMMUNITY BIBLE CHURCH** in Wolf Point, MT. PRAY for our search for a pastor. PRAY for physical and spiritual growth for our church.
