***PRAISE** the Lord, we now have our first guests of the year at camp. They are a group from Argentina that have come to Spain to do various outreaches. One project they have planned is doing street evangelism in the town we live in. Pray that the Lord will use this group for big things in the Pueblo of Trabuco. ***PRAY** - At the beginning of the year, we are required to do a cleaning of the main water tank and all the water lines at camp. This means that for about a week there is no water on the property. Please pray that I can work efficiently to get this cleaning done so that we can resume operation with as little inconvenience as possible. ***PRAY** - After this summer we will have been here for three years! At the moment, we are working on planning a three-month home assignment after summer this year. Please pray that these preparations will come together.

This week, please pray for **KENORA BIBLE CHURCH** in Kenora, ON, with Pastor Caleb Symons and wife Jenelle. ***PRAISE** God for recent baptisms and new members. ***PRAY** that we would grow in the grace of God to us in Christ. ***PRAY** that we would pursue personal holiness.
