Missionaries of the Week: Don & Nancy Rempel

*Praise God for resilience and encouragement in the face of the government Covid rules and all the resulting social awkwardness. *Praise God for creative ideas and providential opportunities. *We are thankful for a new local church to attend where God's Word is preached and the fellowship is sweet. *Two local entities who serve immigrants will be directing their new immigrant customers to our guided history tour "Kelowna – 150+ Years of Hope"! *Our son, Chris', surgery to repair damage to his sternum was successful. He sees his surgeon for a follow up visit this week. *We need creativity and endurance to navigate the B.C. government's strict Covid lockdown rules. This is a very weary time for anyone in ministry. Due to covid restrictions, we are pivoting to outdoor social times to spend time with our least reached friends. On April 8, we picnic with a Syrian family, Anwar and Samahar and 3 kids. Pray as we want to have significant conversation. *Pray for lots of bookings for our "history tour" season beginning May 1st. Pray God leads spiritually hungry immigrants to take our tour. Pray for friendships to develop out of the tours. *Pray a spiritual powerful visit and overnight stay with Nancy's brother and family tonight, Sunday. They need the Lord.
