Announcements

Missionary of the Week: Garrett Schlake

As I am writing this, I am currently at a camp in the southeast of France with 10 staff and 80+ students from our ministry. The program is full of trainings that get more intense every year that you attend and equips our students for the coming school year. The camp consists of teachings on the Old and New Testaments and how to understand the text within its context, apologetics, evangelism, sexuality within the Christian world view, and so on. We also give trainings on how to prepare and lead a Bible Discussion group and other applicable skills. It does help with recruitment being in such a beautiful location. Also don't worry, we respected all the Covid health code parameters. My specific title is Equipier Local (Local Team), but since I am the only staff serving directly on the local team in Toulouse, I will be responsible for all the staff work. That does NOT mean I am alone! In fact, we have four new student leaders who I will be serving alongside. I will train and support them as they lead our Bible Discussion groups and as they help me organize and run other events. Toulouse consists of 3 major universities, many smaller colleges, and over 120,000 students going to school here. On September 18th we have a weekend with our student leaders in our region to prepare them for the coming semester. Please pray everyone can make it and Covid-19 does not interfere. It is yet to be determined what the fallout of Covid will be, but at the moment we are hopeful and have our dedicated students who will help us restart the ministry in person when things go back to "normal."

Q&A Bible Study

This week pray for *IGLESIA DE CRISTO MAHANAIM* in Omaha, NE, with Pastor Leymin Alvarado and his wife Lilian. PRAISE God for our pending membership in the FEBC. PRAY for our church as we work with the FEBC to finalize legal documents. PRAY for congregation members who have been especially impacted by COVID-19. PRAY for the health and protection of many members who work in areas where the virus has been an issue.

Q&A Bible Study will be on **Wednesday, September 2, at 7:00 PM**, in the Fellowship Hall (there will still be no food) and online via Facebook.

On **Thursday, September 3, at 7:00 PM Bible Study** in Daniel continues in the Youth room and on Facebook.

Next **Sunday, September 6**, we will be celebrating the Lord's Supper together. Due to Covid 19, we will have individual, prepackaged elements that you will be able to pick up for your family members from the table in the foyer before you enter the sanctuary.

The Sunday School Picnic will be **September 20** at **Camp Jefferson**.

Financial gifts can be placed in a basket on the table in the foyer or you can send your check to: Jansen Bible Church, c/o Daryl Drewes, PO Box 141, Jansen, NE 68377. There is a basket on the table in the foyer.

We are still in Phase 3 of the Directed Health Measures for our health district through at least September 13, so that means we still need the 6 ft. social distance between families, children need to stay with their parents (families), don't pass things to one another, and you can wear a mask if you choose, but they are not mandatory. Please do not come to the services if you are sick in any way.
