Announcements

Missionaries of the Week: Vic & Gwen Flaming

*Praise the Lord for the excellent mission coach training workshop which we held last week in Joplin, MO. We had a fantastic time and many of those being trained experienced real transformation as they engaged with each other and our Savior during this time. *Praise the Lord for the completion of another quarter of Sharpening Your Interpersonal Skills Online. Once again we saw the participants working through some very real issues as they sought to do all that Jesus has commanded us to do. *Praise the Lord that Vic's parents have been able to relocate to the Heritage Care Center in Fairbury. Praise that they have been able to get settled into their new quarters even with the ongoing precautions for the pandemic. *Pray for us as we are very engaged in planning and preparing for a number of trainings that will start early next year. As always, we seem to have many open doors for service. Pray that we can live out the balanced life that our Savior wants for us.
