Missionary of the Week: Garrett Schlake

*It was great being with you all these past few months in the U.S! Thank you for your prayers and support and for making it possible for me to minister to the French people, specifically the college students! The plan is, Lord willing, to make a visit to the U.S. this coming July or August with Joanna. It will be a great chance for you all to meet her and her you. *Joanna and I have set our wedding date for May 15, 2021! Please pray this long engagement would prove beneficial! After four months apart I will finally be able to see her again this Saturday, December 21st. *I arrived back in France on December 18th and I am currently in Paris where I will do six months of training. Nicolas, my new supervisor, and I met up today (the 20th) and discussed what the training would entail: working with InterVarsity, being on loan from InterVarsity to GBU, doing a training in Paris until June 2020, then transitioning to Toulouse to work with Joanna, I will be the City Director there. *I am temporarily staying with a friend's family, and I hope to find another place to stay within the coming month. Please pray I find a suitable place to live for the next 6 months. *There is a large strike going on now for public transport, and we have already had to cancel two ministry events

because the trains and buses are not running. *Please pray this does not go on much longer and that we find alternatives for future ministry events.
