### Announcements

#### Missionaries of the Week: Vic & Gwen Flaming

\*Praise the Lord for His protection for Gwen last week as she traveled to St Charles, Missouri. We also thank the Lord for the good time of interaction she had with a number of her siblings as they worked together on a family project. \* Praise the Lord for a good online class we had this week with our "Foundations for Coaching Excellence" course through Coaching Mission International. This cohort of mission coach trainees is now more than halfway through their one-year course and are using their coaching skills to impact their worlds for Christ. \* Praise the Lord also for a very good "Serving Others Through Listening Well" course we had this week as part of our SYIS Online training. This cohort of missionaries is focused on improving their listening skills as they minister in locations like Peru, North Africa, Central Asia, India, Papua New Guinea and others. \* Pray for us as we are currently working on developing a number of new training opportunities for this year. There is a lot of behind the scenes, (sometimes less fun) stuff that has to happen to be able to present a good training. Pray for Vic especially, as this kind of work requires a lot of discipline for him.

This week pray for our own **JANSEN BIBLE CHURCH**. PRAISE the Lord that our immediate church family has been able to function well even with Covid happening. PRAY that our missionaries will be able to continue their work even with the interference of Covid. PRAY that we at JBC would know the Word, believe the Word, live the Word, and proclaim the Word.
