Announcements

Missionaries of the Week: Vic & Gwen Flaming

*Praise for an excellent conclusion to the online training courses we were leading these past three months. Once again, we have seen God at work in the lives of missionaries working literally around the world in many challenging circumstances. *Praise for the increased interest in our online courses for the coming three months. We have added an additional course to meet the demand. Once again, we will be engaging with missionaries working around the world. *Praise for the opportunity to coach missionaries these days, some who are just starting out, and some who have been on the field for many years. *Praise that we have been able to reorganize our training schedule for the rest of the year. We have decided that we will not be traveling overseas again this year as originally planned but will be moving some of the training online instead. *Pray for us as we need to work hard now to customize our workshops into online courses. While the material will be the same, the process will be much different.

Over the next few weeks, we will begin to raise funds to substantially improve the deck at the parsonage.
