Announcements

Missionaries of the Week: Vic & Gwen Flaming

*Praise for a very productive week of working with our CMI partners during the first week of May. We went through our training material in minute detail during the time they were here. (Now we get to self-quarantine for two weeks due to out-of-state guests!) *Praise for the opportunity to continue ministering via the internet through these past months. We have been continuing our coaching and training using Zoom, just as we have for many years.... Just more of it! *Praise for heart & life change that we have observed in many young missionaries over the past six weeks as we have been conducting our SYIS Online training. *Praise that our mission has been able to find funding to replace much of what we have lost with the cancelation of so many of our workshops and onsite trainings. *Pray for us as we continue to try to plan for future trainings. Our July workshop in North Carolina has been postponed, and our September workshop in Thailand is very tentative at this point. *Pray for our team of follow-up coaches as we engage with the SYIS Online participants over the next six weeks. We rely heavily on the Holy Spirit's guidance as we work with these missionaries, as they seek to be who God wants them to be. *Pray for the many missionaries we are working with who are dislocated due to the pandemic. Many of them are in very difficult situations due to the hurried transition they had to make. *Also please pray for the missionaries we are working with who stayed in their place of service and who are now trying diligently to help meet the needs of the communities they live in.

"The Five Major Covenants for the Nation of Israel" (Part IV)

Jeremiah 31:31-34

There will be **Q&A Bible Study** this coming **Wed, May 20**, at **7:00 PM**, ***in the church sanctuary*** and online via Facebook. If you plan to attend, please read the email again that was sent out by the Church Board on April 30 regarding some items that all of us must follow in order to be in compliance with the directives of our governor. Please talk to your family members and especially your children about these items. We must all strive to keep ourselves and our church family safe.

We are making plans to have a **Virtual Vacation Bible School** each day, June 1-5 (only about 45-60 min. total time) so that the kids can "attend" from home via a YouTube channel. We will keep you updated with information as we know more details.

To continue giving your financial gifts to the church at this time, there are baskets on the table in the foyer or you can send your check to: Jansen Bible Church, c/o Daryl Drewes, PO Box 141, Jansen, NE 68377

This week PRAY for **RICHER FELLOWSHIP CHURCH** in Richer, MB, with pastor Ben Funk and his wife Marjorie.

*PRAISE God that through electronics we still meet each week for Bible study and live-streamed church services.

*PRAISE that our financial needs continue to be met.

*PRAY that we will receive direction and wisdom on how to reach out to the community since all spring and summer community events have been canceled due to Covid-19.

James Paul Kratz was born Friday, May 15, weighing 6 lbs. 11 oz. They were moved from the Beatrice Hospital to St. Elizabeth's in Lincoln, so that James could be monitored for breathing issues, thinking he might have pneumonia. He does have fluid on his lungs, but that might be due to James arriving several weeks early. He is on oxygen and doing well. Antibiotics are also being given as a precaution.
