Missionaries of the Week: Menno & Barb Kroeker

*Our missionary colleague Nil had somewhat good news. The cancer has not grown and has not spread to other organs, but the tumor also has not diminished after this round of treatment. She continues with various alternative treatments as well as consulting with oncologists.

*The young Nambikuara fellow attending Bible School is growing spiritually and doing well in his studies.

*We rejoice in the reconciliation of a marriage and renewal of relationship with the Lord for a couple we have mentored for years in Brazil.

*The Nambikuara Christians need to be nourished on the "meat" of the Word and apply it to their lives. Many are "shallow" believers.

*The virus has not spread to the Nambikuara tribal area.

*We and our family are all well. Thank you for your prayers.

Genesis 50:20 (Gen. 48-50)

This week pray for *EVANGELICAL BIBLE CHURCH* in Dallas, OR, with Pastor Troy Bassham and his wife Lori. ***Praise** that we were able to hire a part-time worship director and are welcoming Mike Hawes this week. ***Pray** that we will still be able to reach the community of Dallas with the Gospel. ***Pray** for the gaps in our ministries as local regulations make it difficult for some of our groups to meet.
