\*Praise! On August 22nd, we took our first Muslim family on the Kelowna Historical Tour we created. They loved it! \*Pray that we can arrange for one Muslim family each on Sept. 12, 19, & 26, to take the tour. We now also have a boat owner/driver so as to be able to include a short boat ride in the tour!! Pray that Muslim families will be eager to take the tour. \*Praise! We've been invited to speak in the city of Salmon Arm (2 1/2 hrs. from us) at a Millar Bible college chapel on Oct. 16th. \*Pray! We'd like to arrange for Millar students to engage with least reached Muslims/Hindus or Sikhs in Salmon Arm with us for a couple hours while we're there. Pray it comes together. \*Pray! We will be inviting folks from our local church to meet at our home once a month both to pray for the least reached Muslims/Hindus/Sikhs in our town and to be equipped to engage these folks in conversation in meaningful ways. Pray that people will respond! We need to pray and be bold. \*Pray! We need prayer for the logistics of coming to Nebraska to spend Christmas with our kids. Pray that the B.C. government would lift the mandatory 2-week self-quarantine for returning travelers to the USA! \*We love and appreciate you all!

We are still in Phase 3 of the Directed Health Measures for our health district through at least September 13, so that means we still need the 6 ft. social distance between families, children need to stay with their parents (families), don't pass things to one another, and you can wear a mask if you choose, but they are not mandatory. Please do not come to the services if you are sick in any way.
